

Employees invited to view NASA TV for message from NASA Administrator Jan. 14

BEST at KSC to honor MLK Jr. birthday Jan. 15

▲ **Message from NASA Administrator:** Sean O'Keefe is hosting a NASA update Jan. 14, at 3 p.m., with a "very important message" for the agency. View the update live on NASA TV, channel 7, or via the web at <http://www.ksc.nasa.gov/nasa-only/internal.html>. For further

multimedia information, call 867-2468.

▲ **KSC celebrates the life of Dr. Martin Luther King Jr.** – Jan. 15 would have been the 75th birthday of the late Dr. Martin Luther King Jr. Please join the Black Employee Strategy Team as they commemorate the life of this great leader on **Thursday, Jan. 15, from 10:30 to 11:30 a.m. in the KSC Training Auditorium.**

◆ **CAP at KSC provides disability awareness briefing** – KSC will host NASA's Computer/Electronic Accommodation Program (CAP) and Disability Awareness Briefing, Jan. 14 from 2 to 4 p.m. in the KSC Training Auditorium. On Nov. 11, 2002, NASA signed an inter-agency agreement with the Department of Defense (DOD) to become one of 53 Federal Partner Agencies to receive accommodation services from CAP. Through this agreement, NASA supervisors and employees along with CAP staff work to provide assistive technology solutions for individuals in the workplace. All NASA/KSC employees are invited to attend this briefing, especially senior management, supervisors and employees who want to learn more about CAP and disability awareness. For more information about CAP, go to <http://www.tricare.osd.mil/cap>.

◆ **2004 NASA Summer Program mentors needed** – The NASA Education Programs and University Research Division (XA-D) is in need of NASA mentors for high school (NASA SHARP) through graduate level students

and faculty for summer 2004. KSC summer interns and faculty are a vital link in meeting the NASA mission and now is the time to step up as a mentor by submitting a quality project. Student orientation is scheduled June 7 and students will work at KSC for 8 to 10 weeks depending on their particular program. Please contact your organization's Administrative Officer for a Student/ Faculty Participant Request Form today.

◆ **Education Opportunity** – Webster University will be starting another session of the master of science degree in computer science. If interested in pursuing this degree, send an e-mail to Carol A. Marx at marxc@webster.edu with your name, address and phone number or call 449-4506. Classes may begin as early as March 2004. Please pass this information along to a friend or co-worker who may also be interested. For further information about Webster University, go to the web site at <http://www.webster.edu/spacecoast>.

◆ **Did You Know?** Cardiovascular Disease Screening is available from 7 to 8 a.m. Wednesday, Jan. 14, in the OHF (Occupational Health Facility - Industrial Area) and Thursday, Jan. 15, in the CCAFS (Former Cape Medical Clinic). No appointment necessary. Screening will include blood pressure measurement and blood drawn for analysis of total cholesterol, triglycerides, HDL and glucose. Participants must fast for 12 hours (no food, water only). A new 2-page CVD questionnaire is needed for 2004. Questionnaires can be picked up at any medical facility or downloaded from the SGS home page/forms <http://ksbcoc-forms/KSCForms2/ref/-1010.itr>. Please pick up or print both pages. This form can be filled in on-line and then printed. For information, please contact Carol Roth, 867-3414.
